Each year Penicuik House Preservation Trust raises charitable donations from individuals, trusts and foundations, and statutory sources. This important income is dedicated to our strategic priorities, including a new programme of engagement with a wide audience of all ages. A gift of any size can help towards the delivery of our mission:

To protect Penicuik House and restore the structures within the Designed Landscape so that we can open up new opportunities for a more diverse range of visitors to connect with our countryside and magnificent built heritage.
